Lunch applications need to be turned in each year. If you received free or reduced lunch last year and haven't submitted a 2017-18 lunch application, you will be required to pay full price on Monday.

If you or someone you know has a need or is having problems, then put your request in the prayer box located in the library. The Bible Study club would like to pray for it. (Run 9/20 to 9/27)

Please join us for Parkland's First Annual Community Expo on Wednesday, September 27th 3:30-6:30pm in the PLU Anderson University Center. Students from PLU and Franklin Pierce Schools along with local residents can learn about resources in the Parkland community. This a great opportunity to connect with local health care and business services along with volunteer organizations. This free event will also be free food and raffle prizes. See Mrs. Moore for more information. (9/18-9/27)

SENIORS: Do you want free extra graduation tickets? Or a free cap and gown? Or a free yearbook? And do you want money for two-year and four-year college and technical school? Then attend financial aid night on Wednesday, Oct. 11th from 6-7:30 pm in the Ridgeway Room. There will be assistance available in English and in Spanish to complete the FAFSA and WAFSA financial aid process. See Mrs. Moore or your advisory teacher for more information.

Yearbook is working hard to make senior year extra special! Seniors have until January 12 to submit senior photos. Submit your photo by bringing a hard copy of the photo to the main office for Mrs. Horst or email a digital copy to ahorst@fpschools.org.

Don't forget to purchase a senior page! Half page is \$60, full page \$100. Pay Ms. Pedrique in the cashier office. All payments must be made before work begins on pages. Submit photos by bringing hard copies of the photos to the main office for Mrs. Horst or email digital copies to ahorst@fpschools.org. Senior pages must be purchased by January 12.

FCCLA will be meeting today at 2pm in room 307. Come find out about competitions, community service, and leadership opportunities! (Run 9/21-9/22)

Yesterday, the cross-country team competed against Evergreen and White River. Although both teams lost to White River, both teams dominated in wins over Evergreen. Honorable mention goes to the 32 athletes that achieved a personal record for the season and Tate Stecker for winning the boys race. Next Thursday, the cross-country team will be competing at Marymount Event Center in a home meet against Foss and Foster. The first race starts at 4:00 PM and the last race finishes around 5:30 PM, so come support your PATS! (Run 9/22)
