

THE PARKLAND LITERACY CENTER IS OPEN!

The PLC offers free homework help and learning support for middle- and high school-aged students in the Franklin Pierce School District. We provide writing and Spanish language tutoring, as well as general academic tutoring in all subjects (including math and science). We also offer assistance for Avid and standardized tests like the AP exam. PLC volunteers are all PLU students, staff, and faculty members.

Due to the COVID-19 pandemic, the PLC will be entirely online for Fall 2020. See appointment details below!

Two ways to get help at the PLC:

- #1 Visit us at <https://tinyurl.com/ParklandLiteracyCenter> during drop-in hours. We will direct you to the next available tutor.
- #2 Email literacy@plu.edu to set up an appointment at a time that fits your schedule.

.....
